

# E10 petrol compatibility

Our overhead-valve and side-valve petrol engines are compatible with the New E10 petrol.

## Maximise your engine performance with Fuel Fit®

Fuel Fit® protects your engines and keeps fuel fresh during long periods of storage.

- Cleans and protects from the inside
- Prolongs engine life
- Improves performance

Available in 100ml and 250ml bottle sizes.

Our fresh fuel checklist:

- ✓ Do not use petrol containing more than 10% ethanol blend
- ✓ Use clean, fresh, unleaded petrol
- ✓ Buy fuel in quantities that can be used within 30 days
- ✓ Do not mix petrol with oil
- ✓ Use Fuel Fit® regularly
